

Telephone survey regarding an adjustment of the municipality border for the districts Angvik, Flemma, Fagerlia and Øye/Heggem

- You will be asked to specify your gender and age
- Answers are given anonymously

Intro – main question:

Good day/evening. My name is NN. I am calling on behalf of the county governor in Møre and Romsdal. The ministry Kommunal- and moderniseringsdepartementet has asked the county governor to proceed with the application from the districts Angvik, Flemma, Fagerlia and Øye/Heggem regarding a municipality border adjustment to new Molde municipality. The county governor wants to implement a hearing of the inhabitants in the districts of Angvik, Flemma, Fagerlia and Øye/Heggem.

You will be given one main question with three alternative answers. Before we start, we would like to inform you about the following:

- From January 1st, 2020, Nesset, Molde and Midsund municipality will merge into new Molde municipality.
- An adjustment of the municipality border will be effectuated from January 1st, 2020.

Main question:

What municipality should the districts of Angvik, Flemma, Fagerlia, Øye/Heggem belong to in the future?

- *Stay in Gjemnes municipality*
- *Transfer to the new Molde municipality*
- *I don't know/no answer*
